EA-605

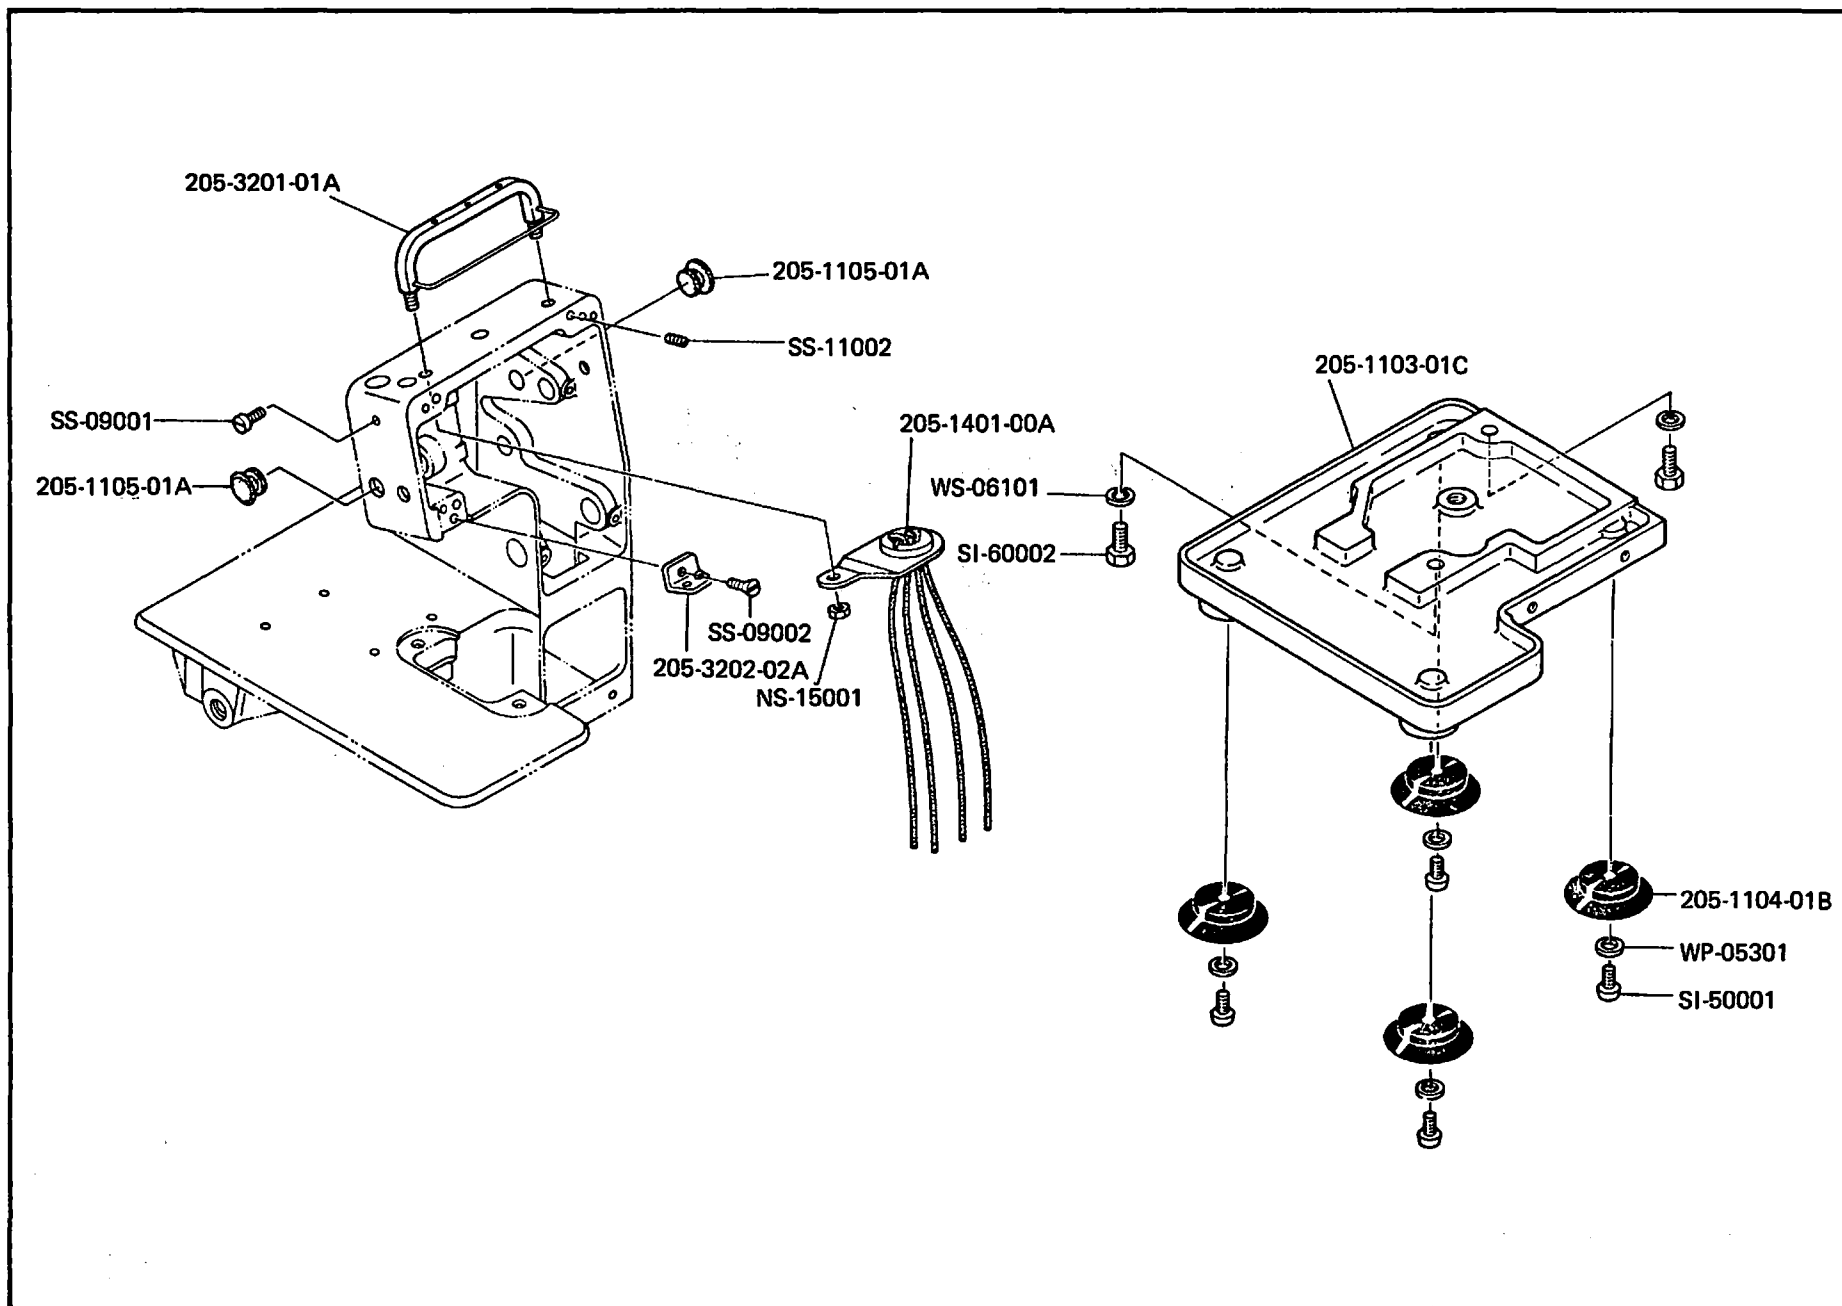

PARTS LIST

JUKI CO.,LTD.

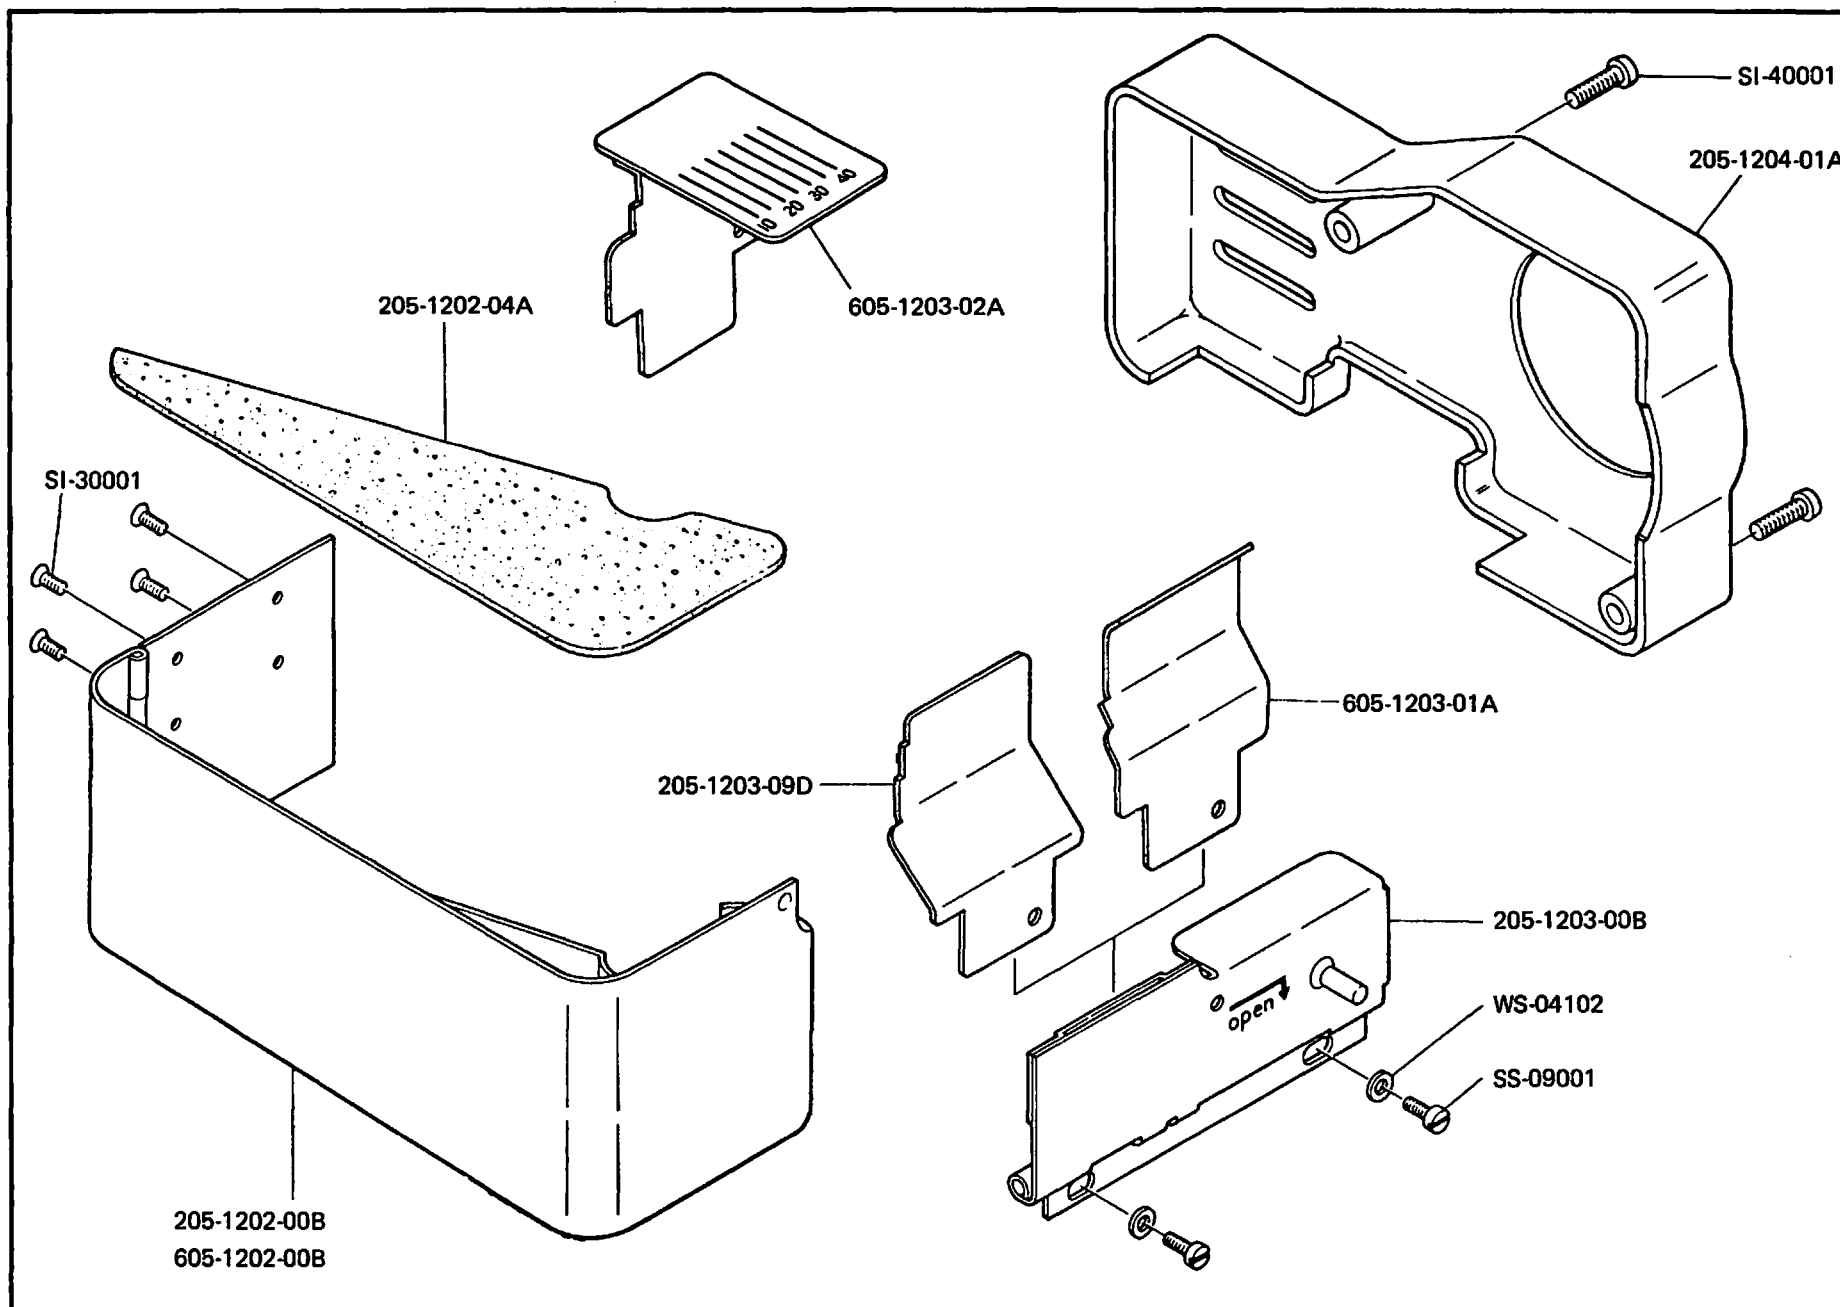

* The set parts marked with ★ , are available only as combination parts, and are not sold separately. Should you require them, kindly purchase the entire set.

* This Parts List can be used for a range of models from Machine No. F-300582 to Machine No. A-626341.

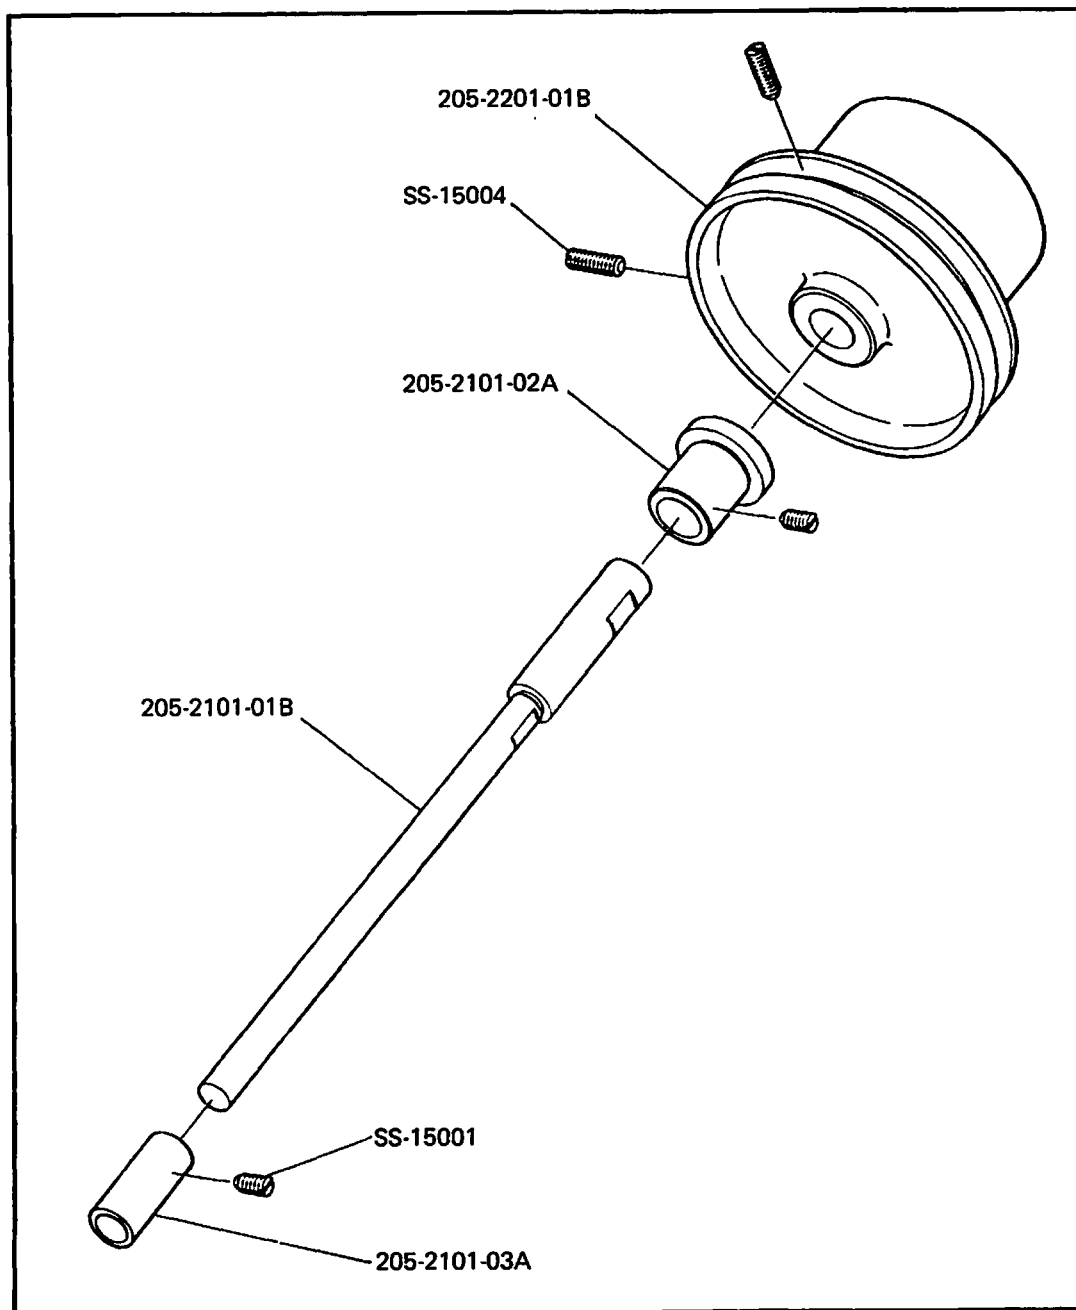

1. Base plate, Handle, and Oil wick

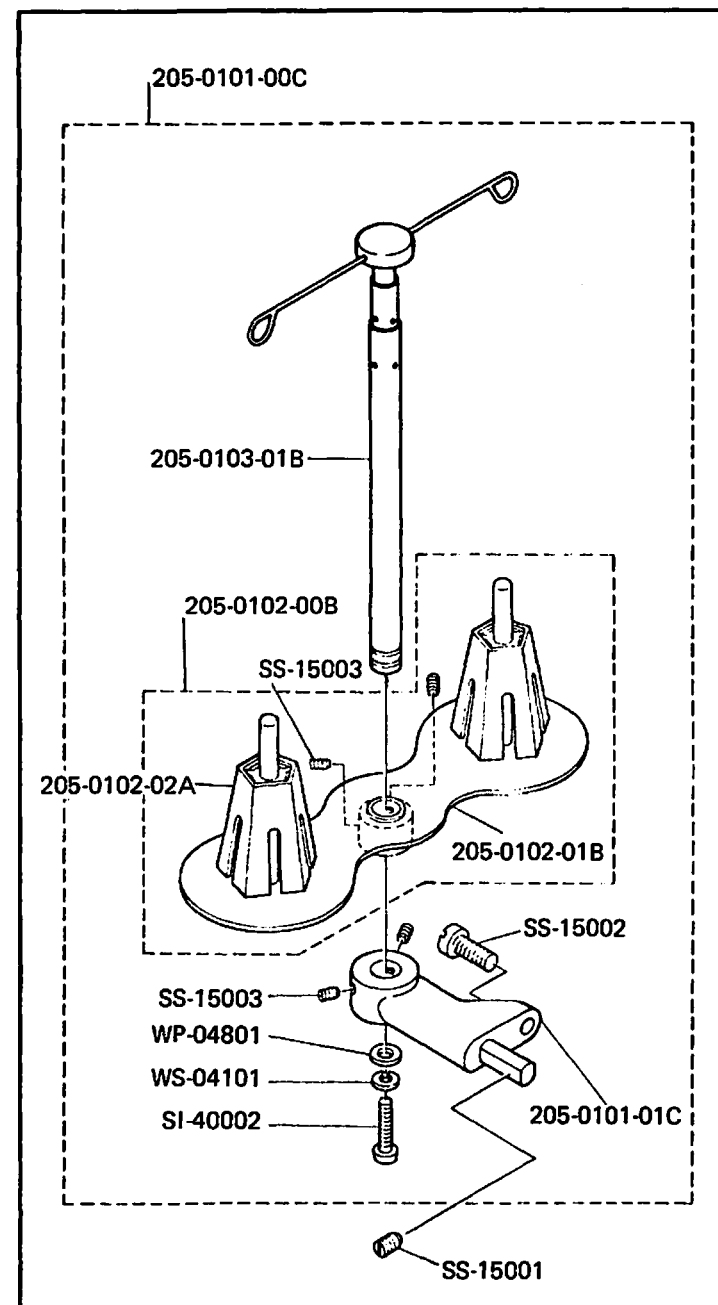

2. Covers

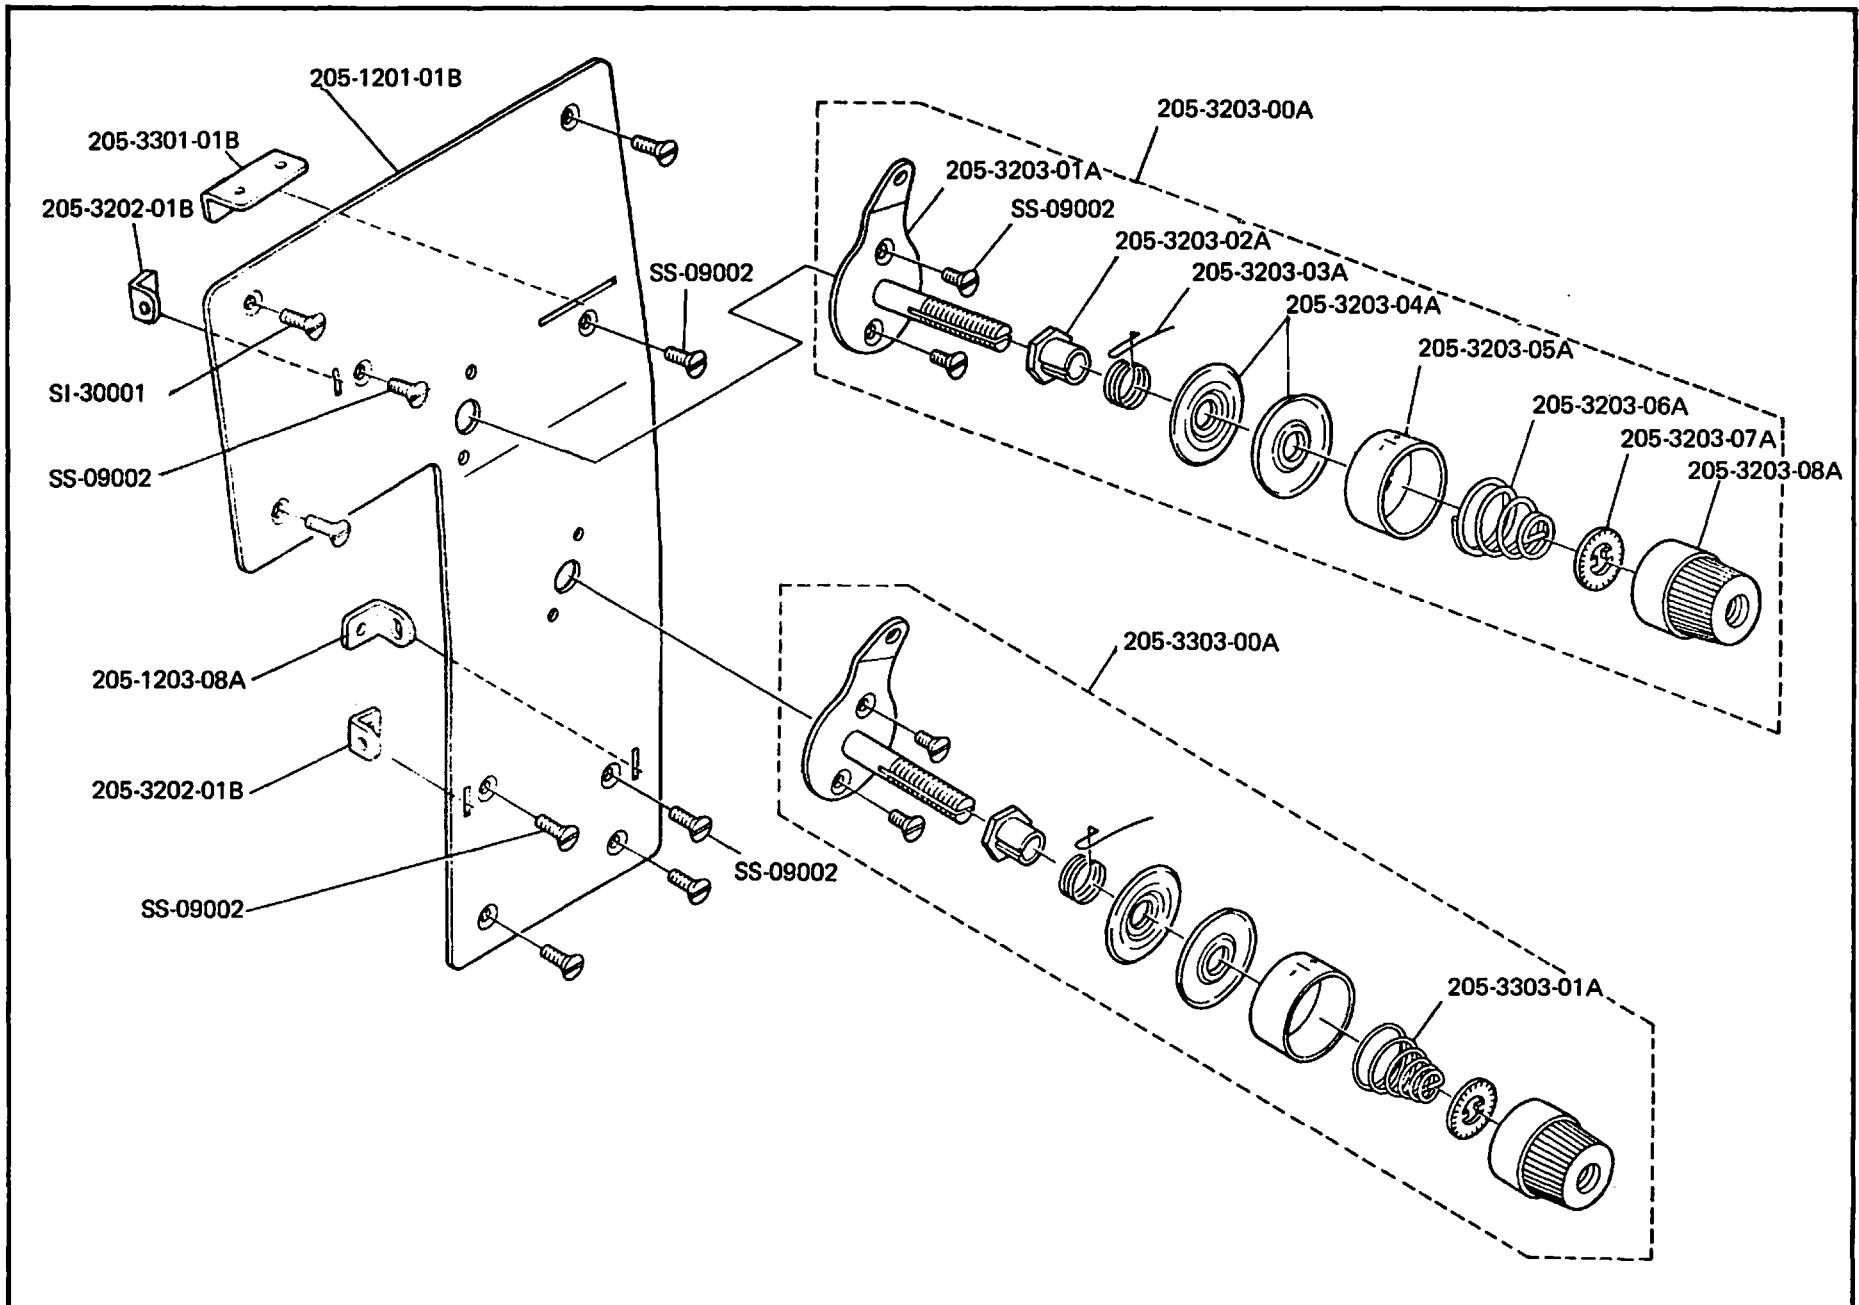

3. Flywheel

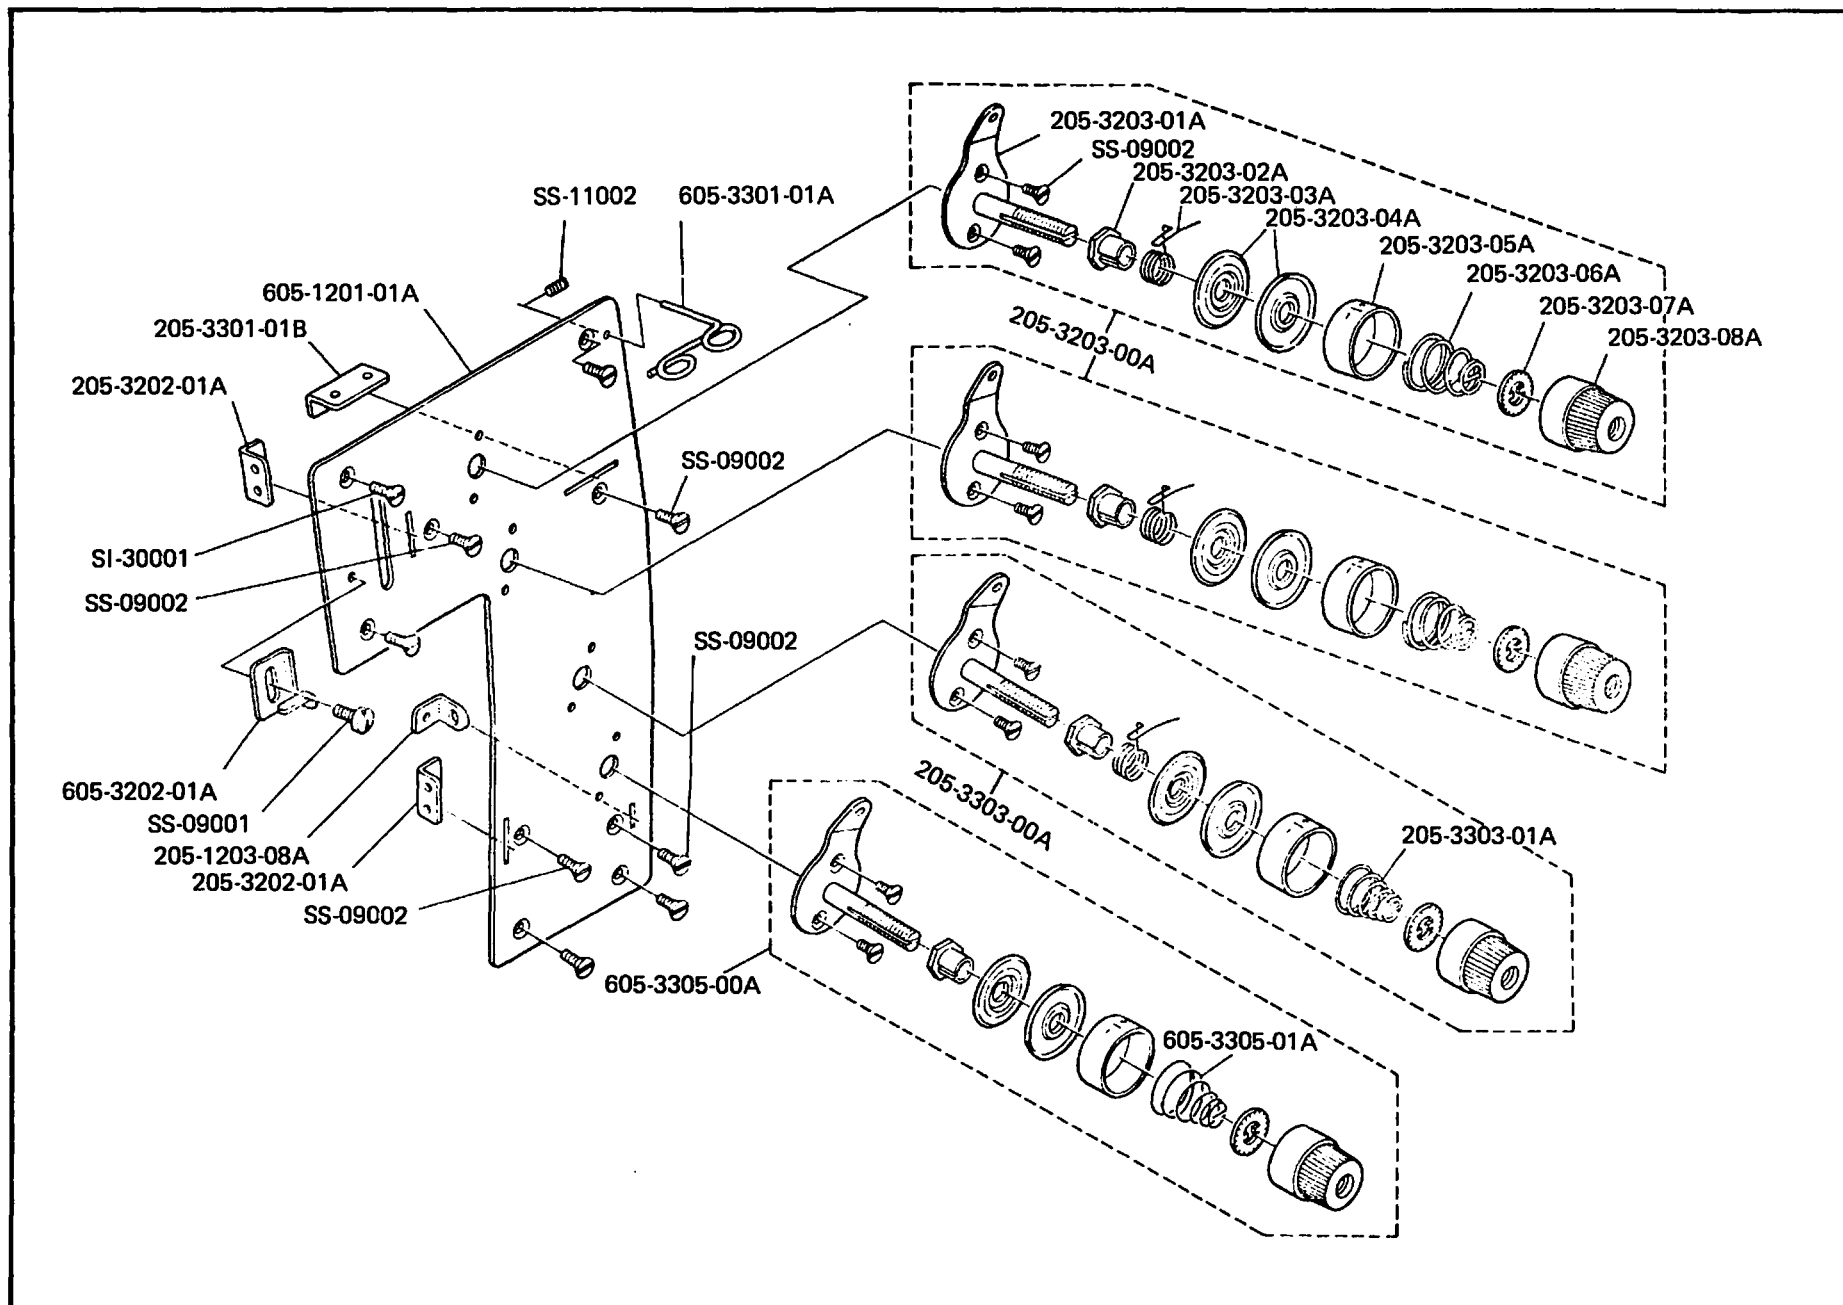

4. Spool stand components

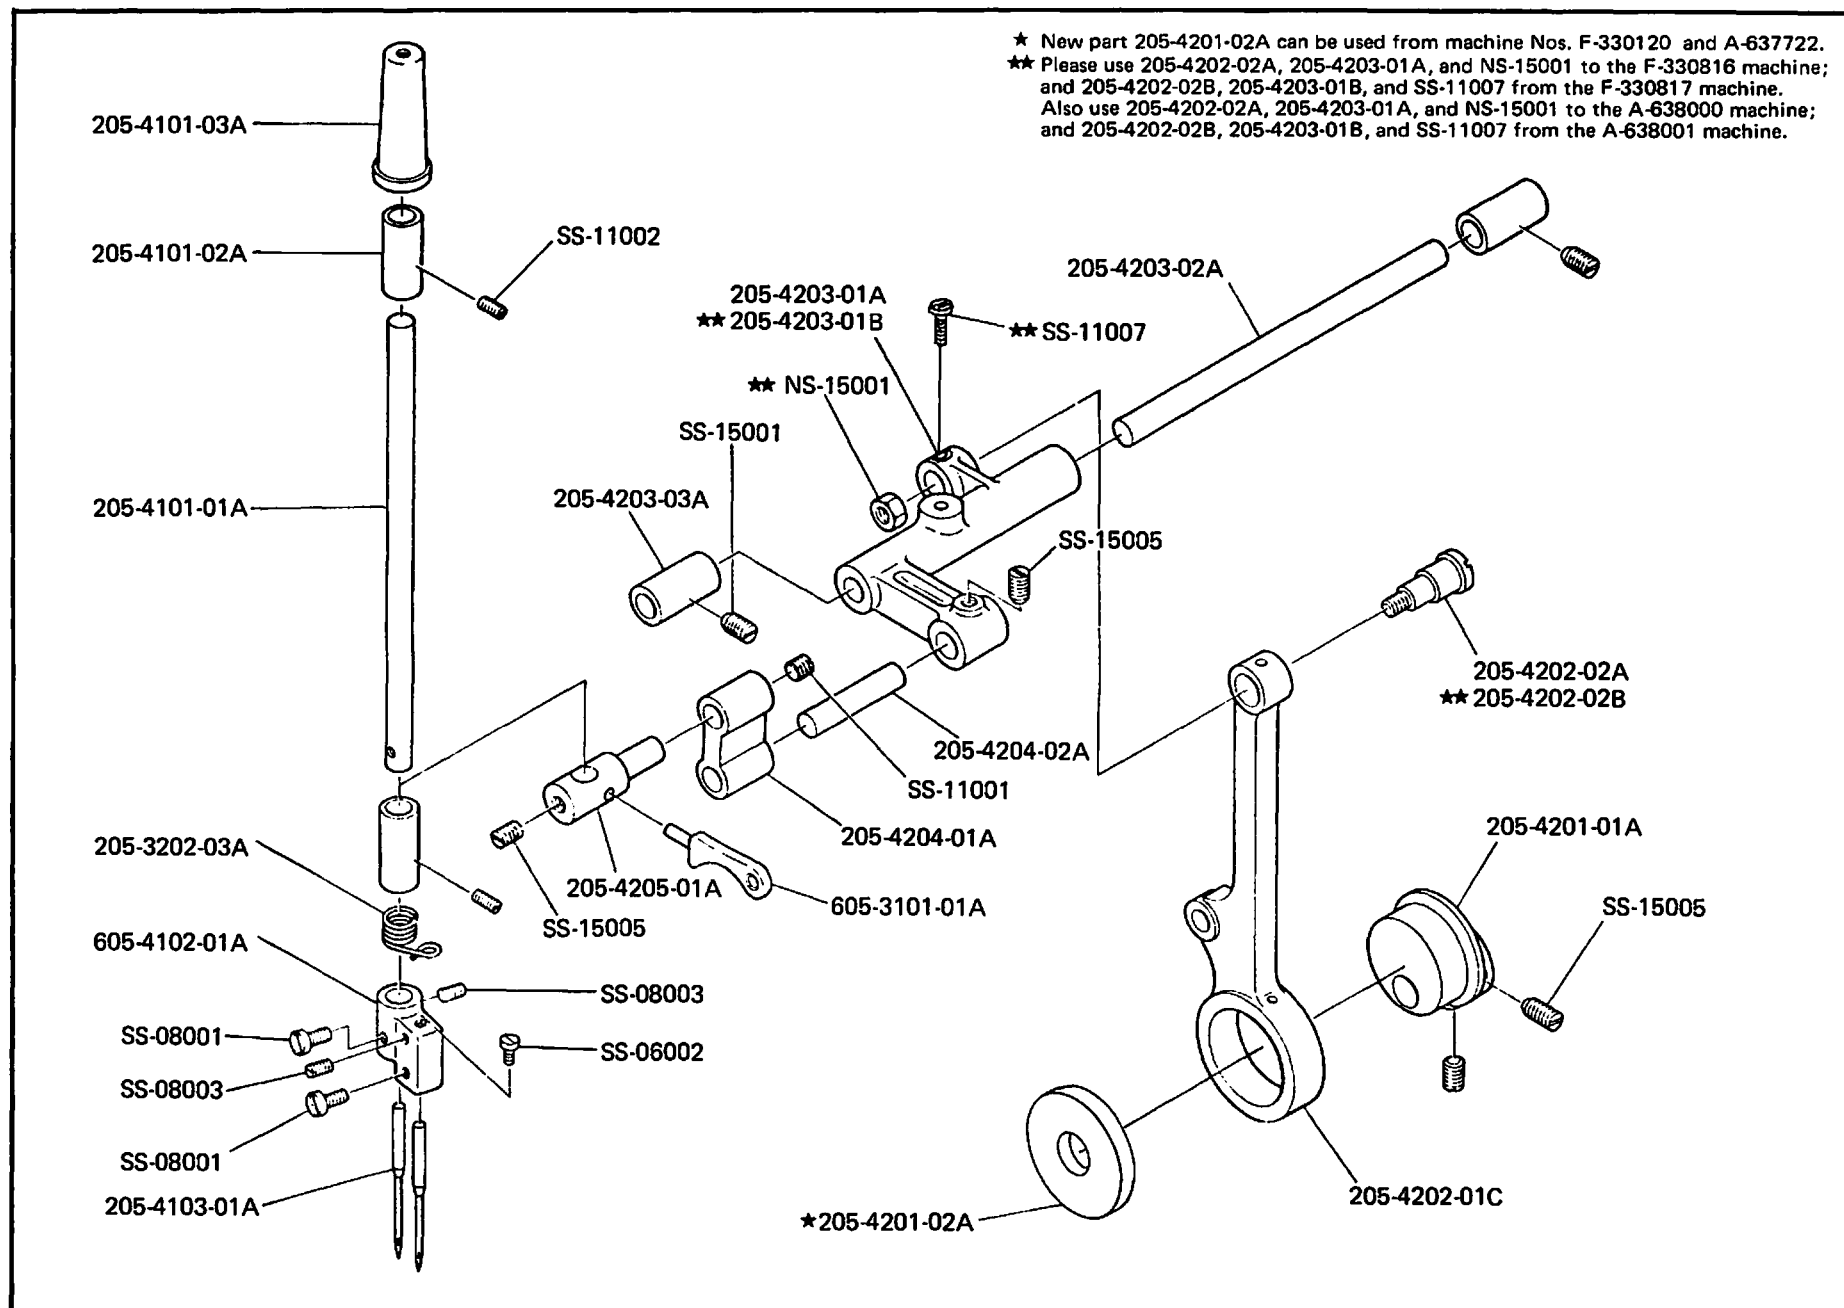

5. Face plate and Tension adjuster

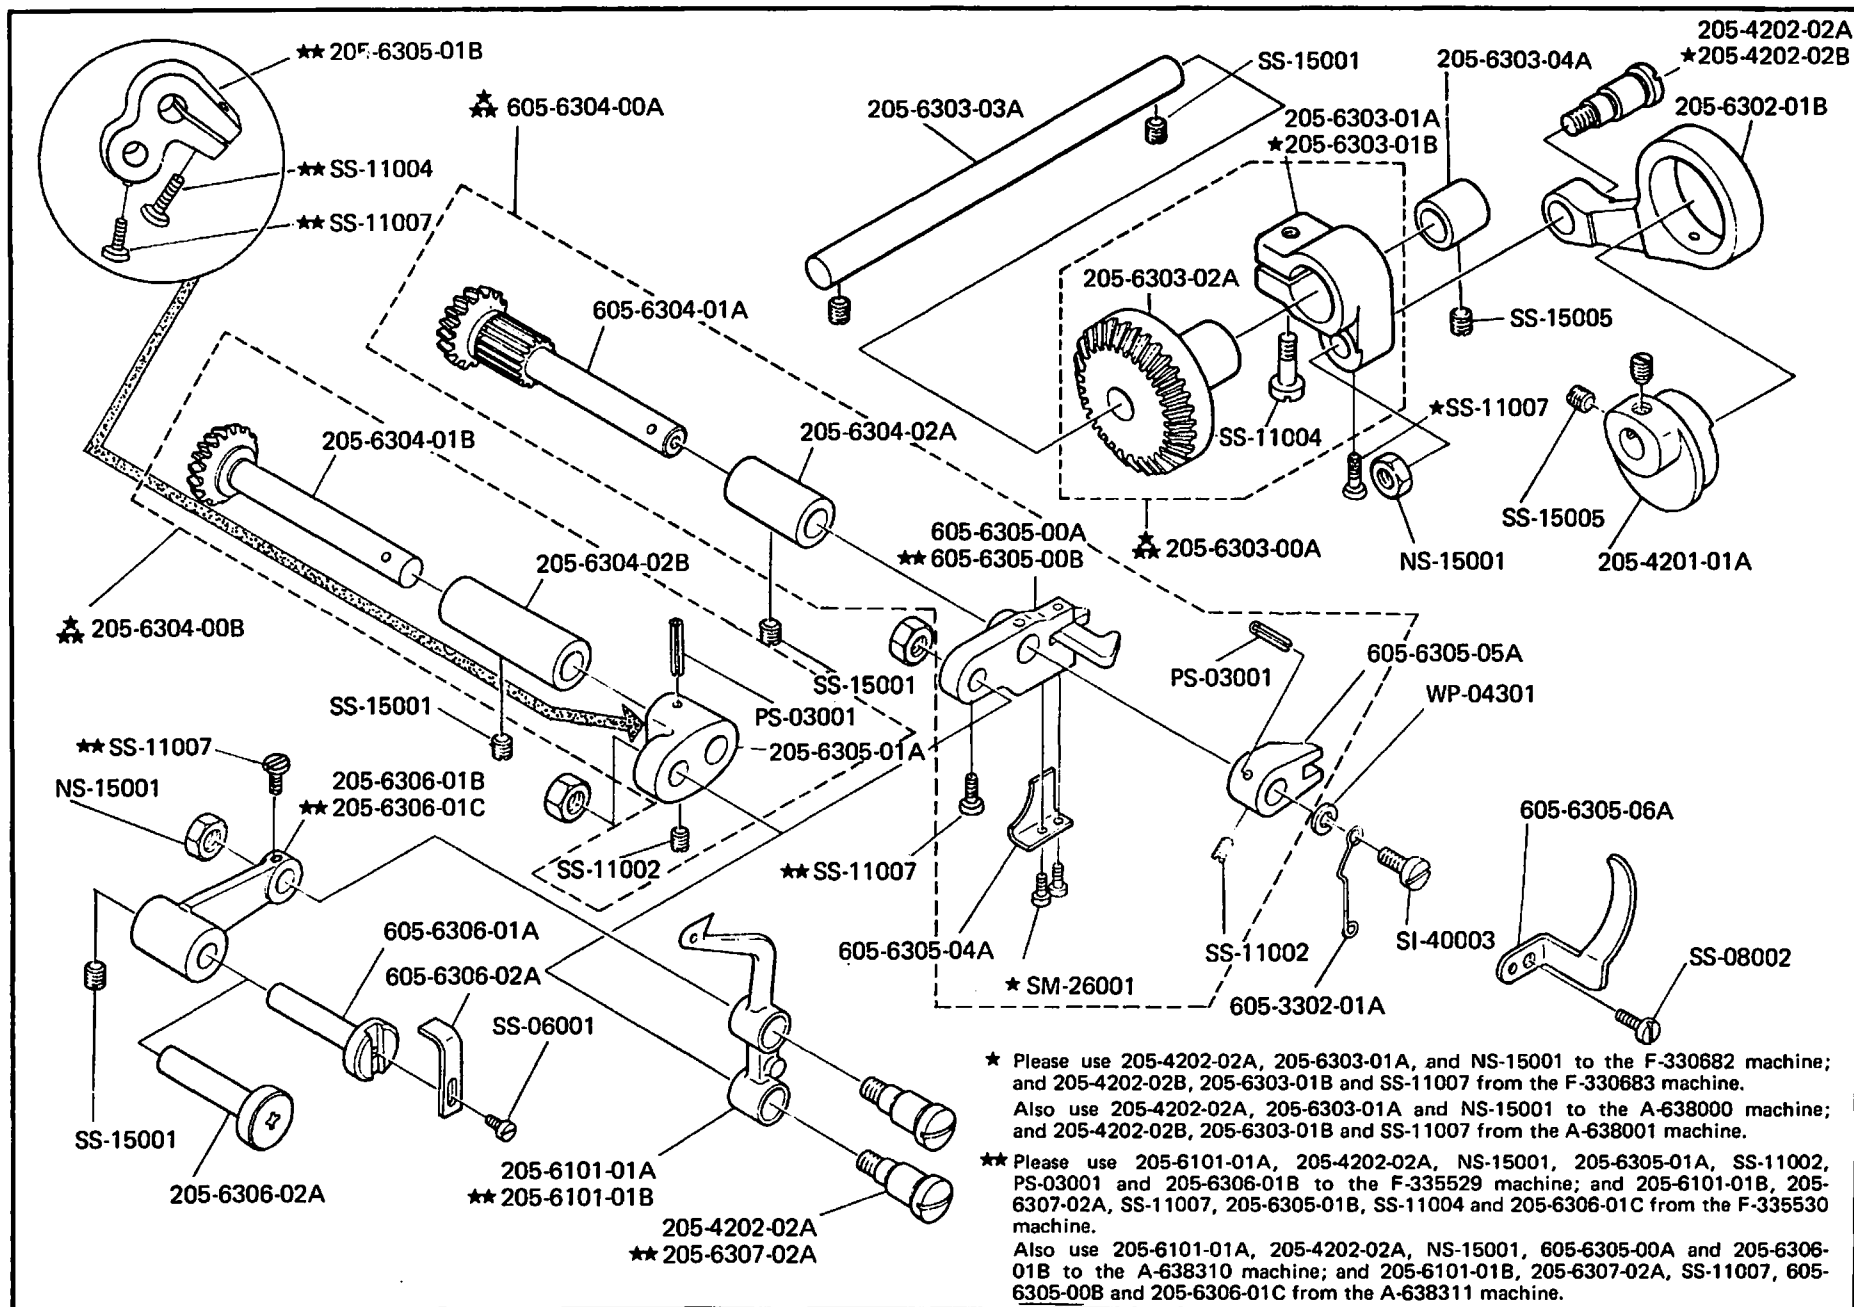

6. Face plate and Tension adjuster

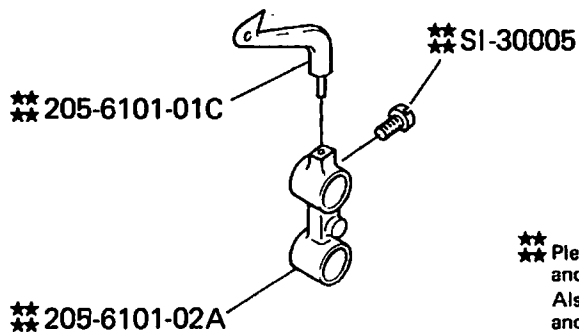

7. Needle bar components

8. Overedging looper components

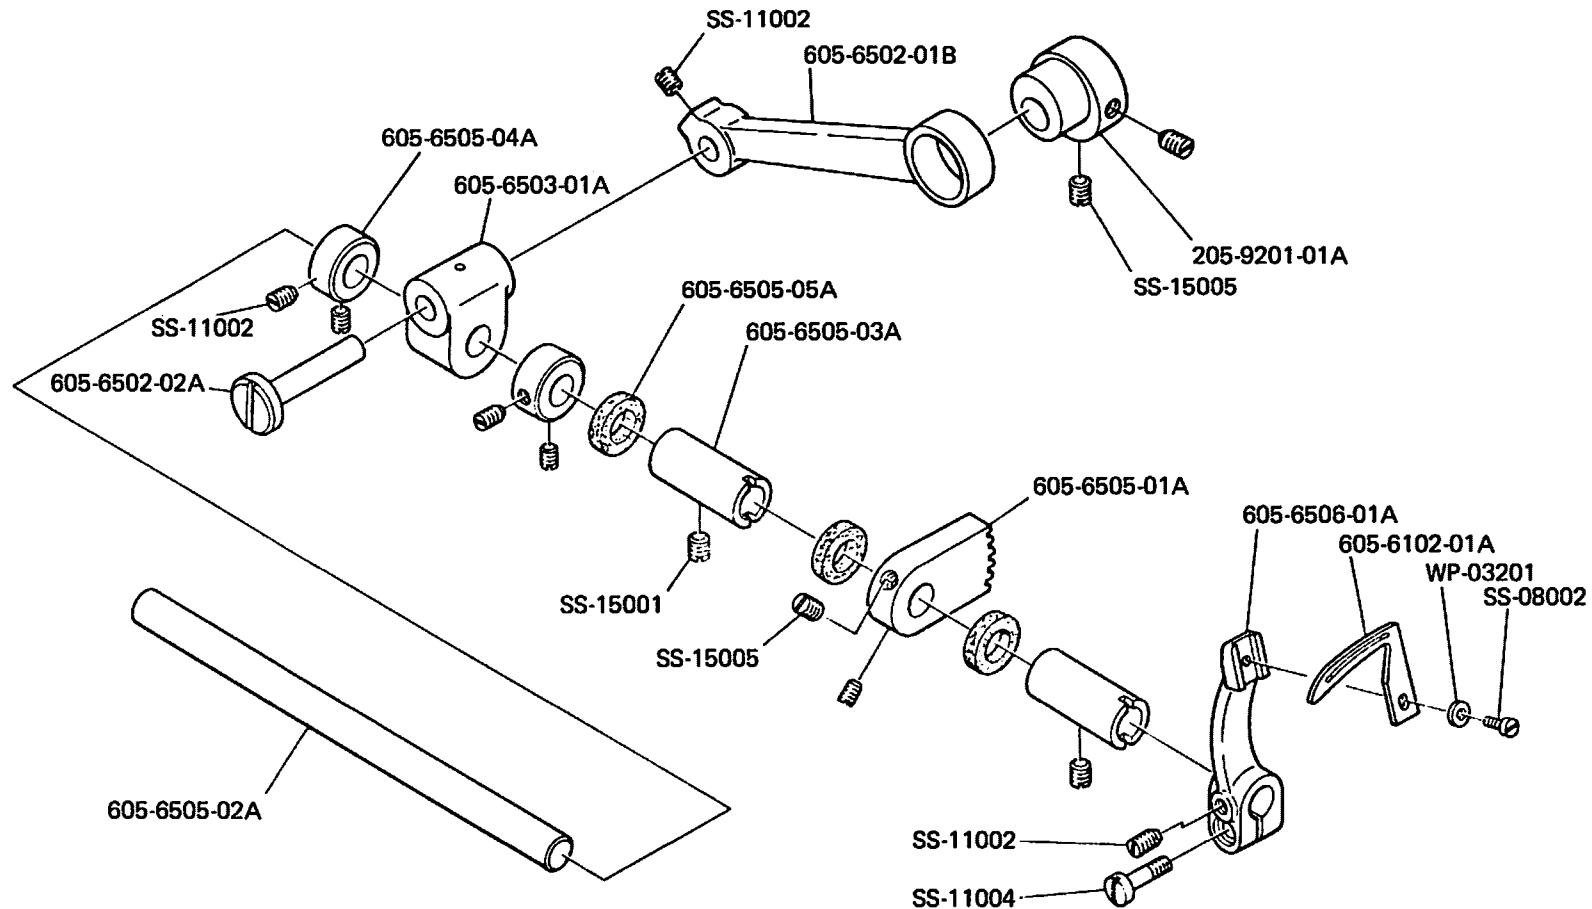

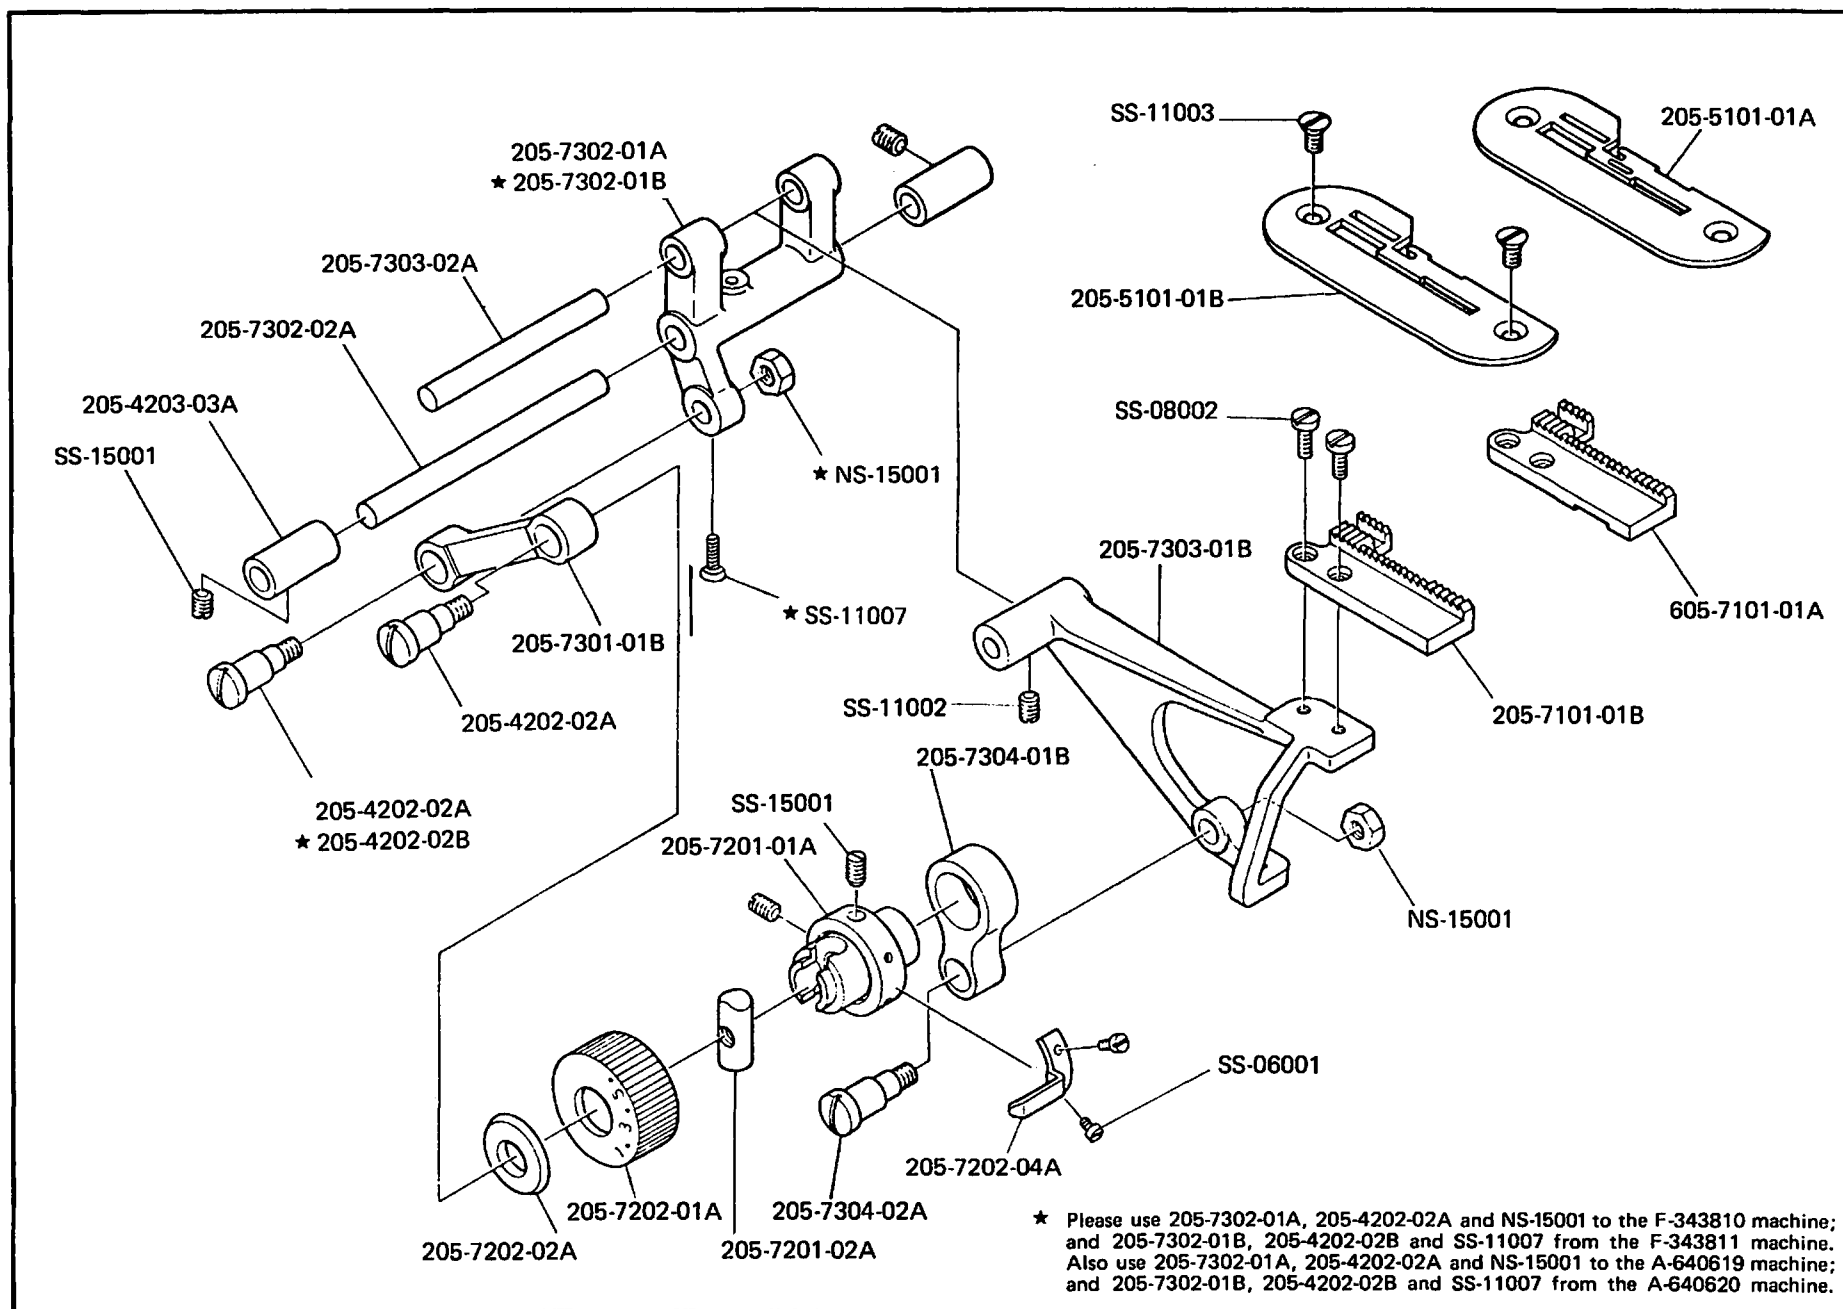

★★ Please use 205-6101-01B to the F-361970 machine and 205-6101-01C, 205-6101-02A and SI-30005 from the F-361971 machine. .
 Also use 205-6101-01B to the A-649346 machine and 205-6101-01C, 205-6101-02A and SI-30005 from the A-649347 machine.

Parts number	Description	Page
205-6101-01C	Overedge looper	7
205-6101-02A	Overedge looper stand	7
SI-30005	Overedge looper set screw	7

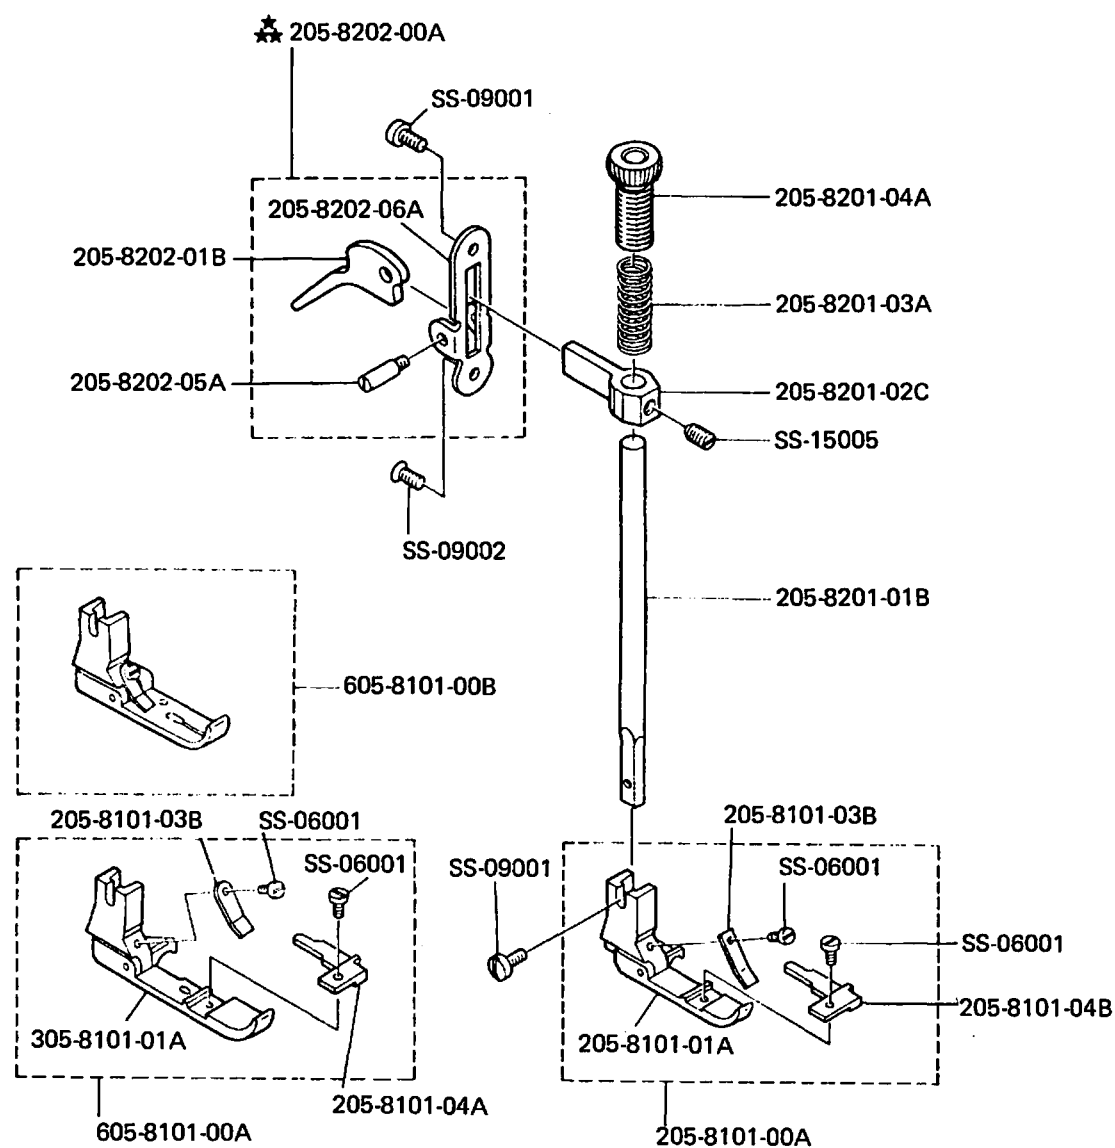

9. Double chain stitching looper components

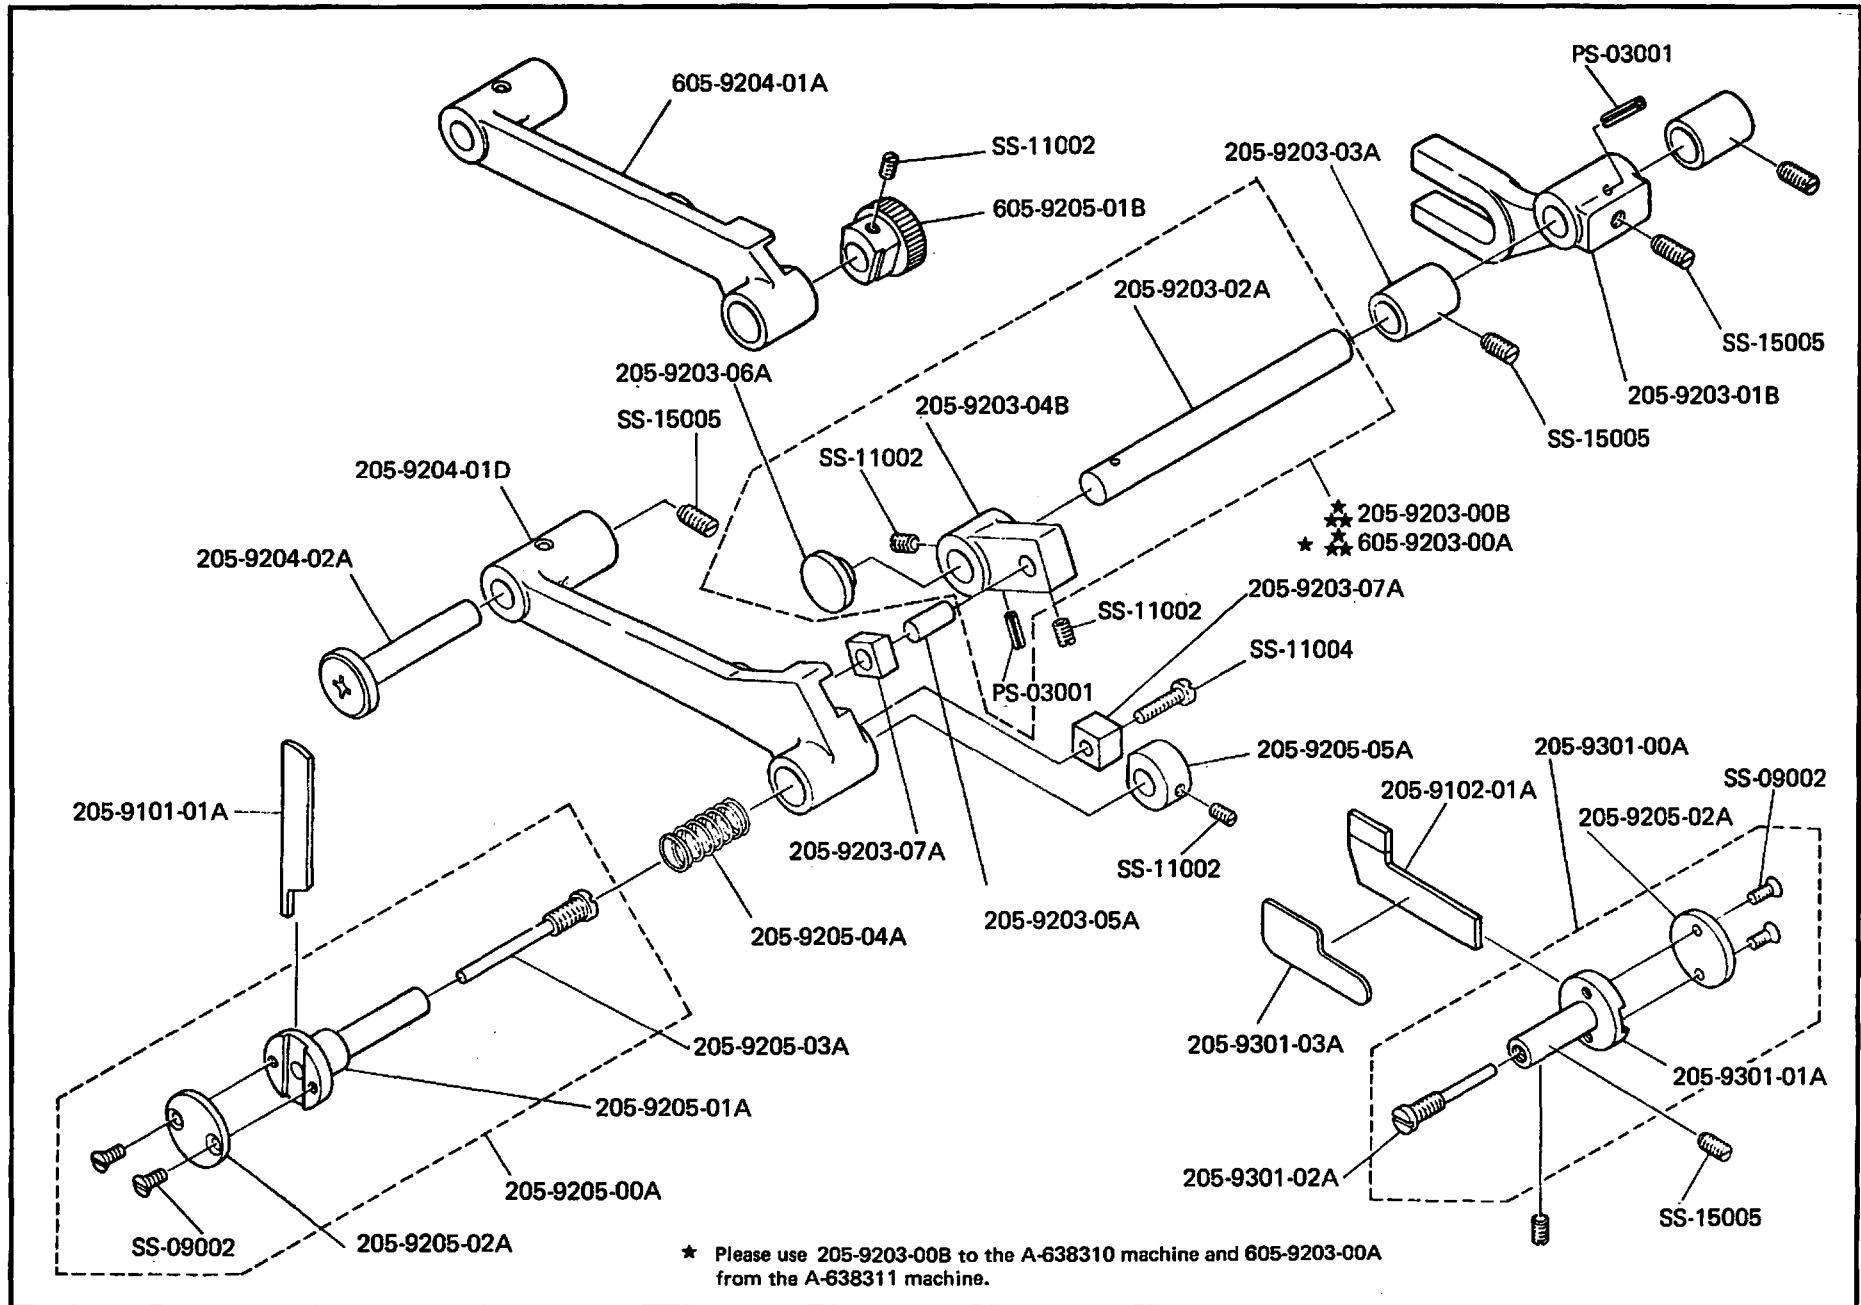

10. Feed mechanism components

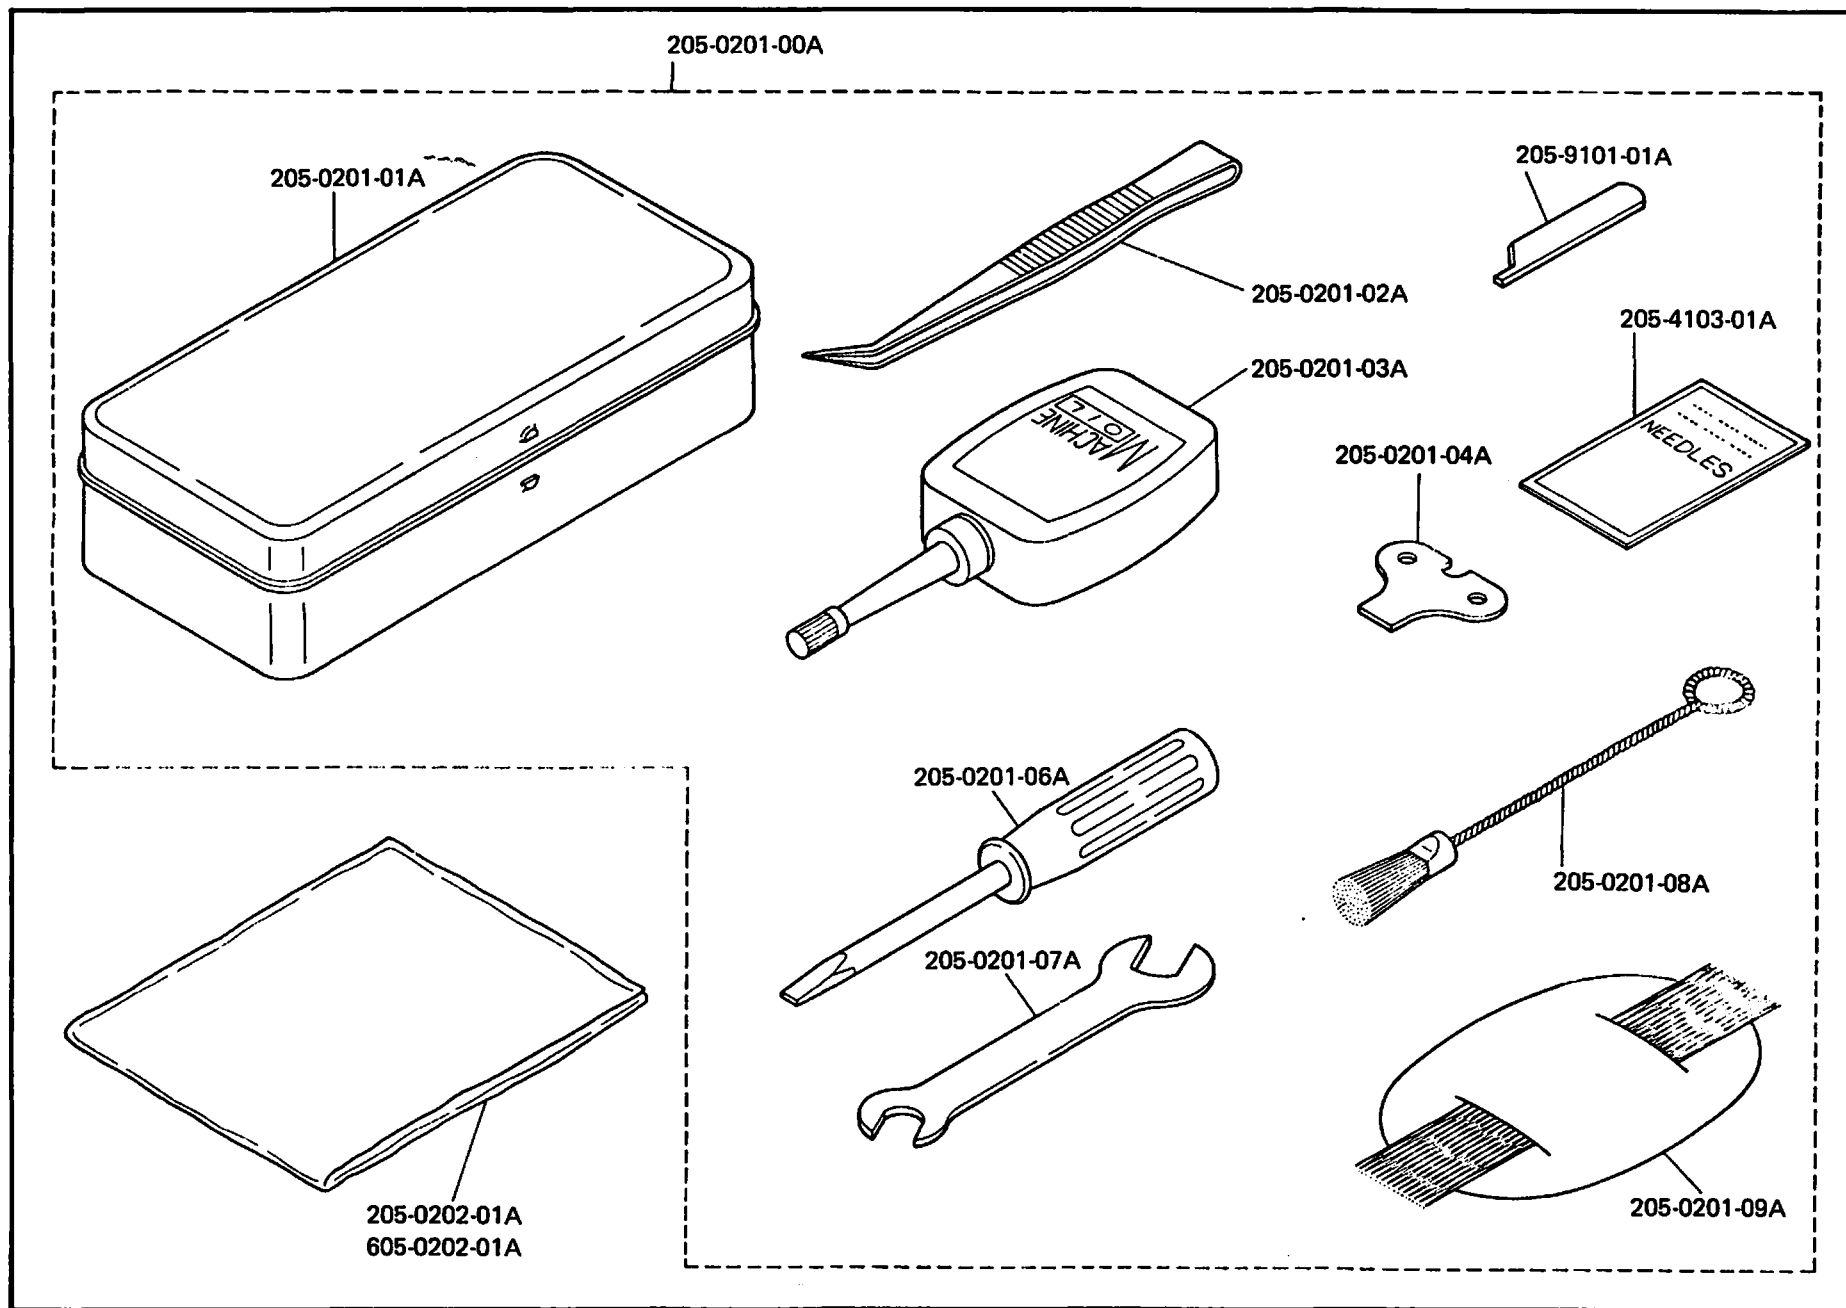

11. Presser foot components

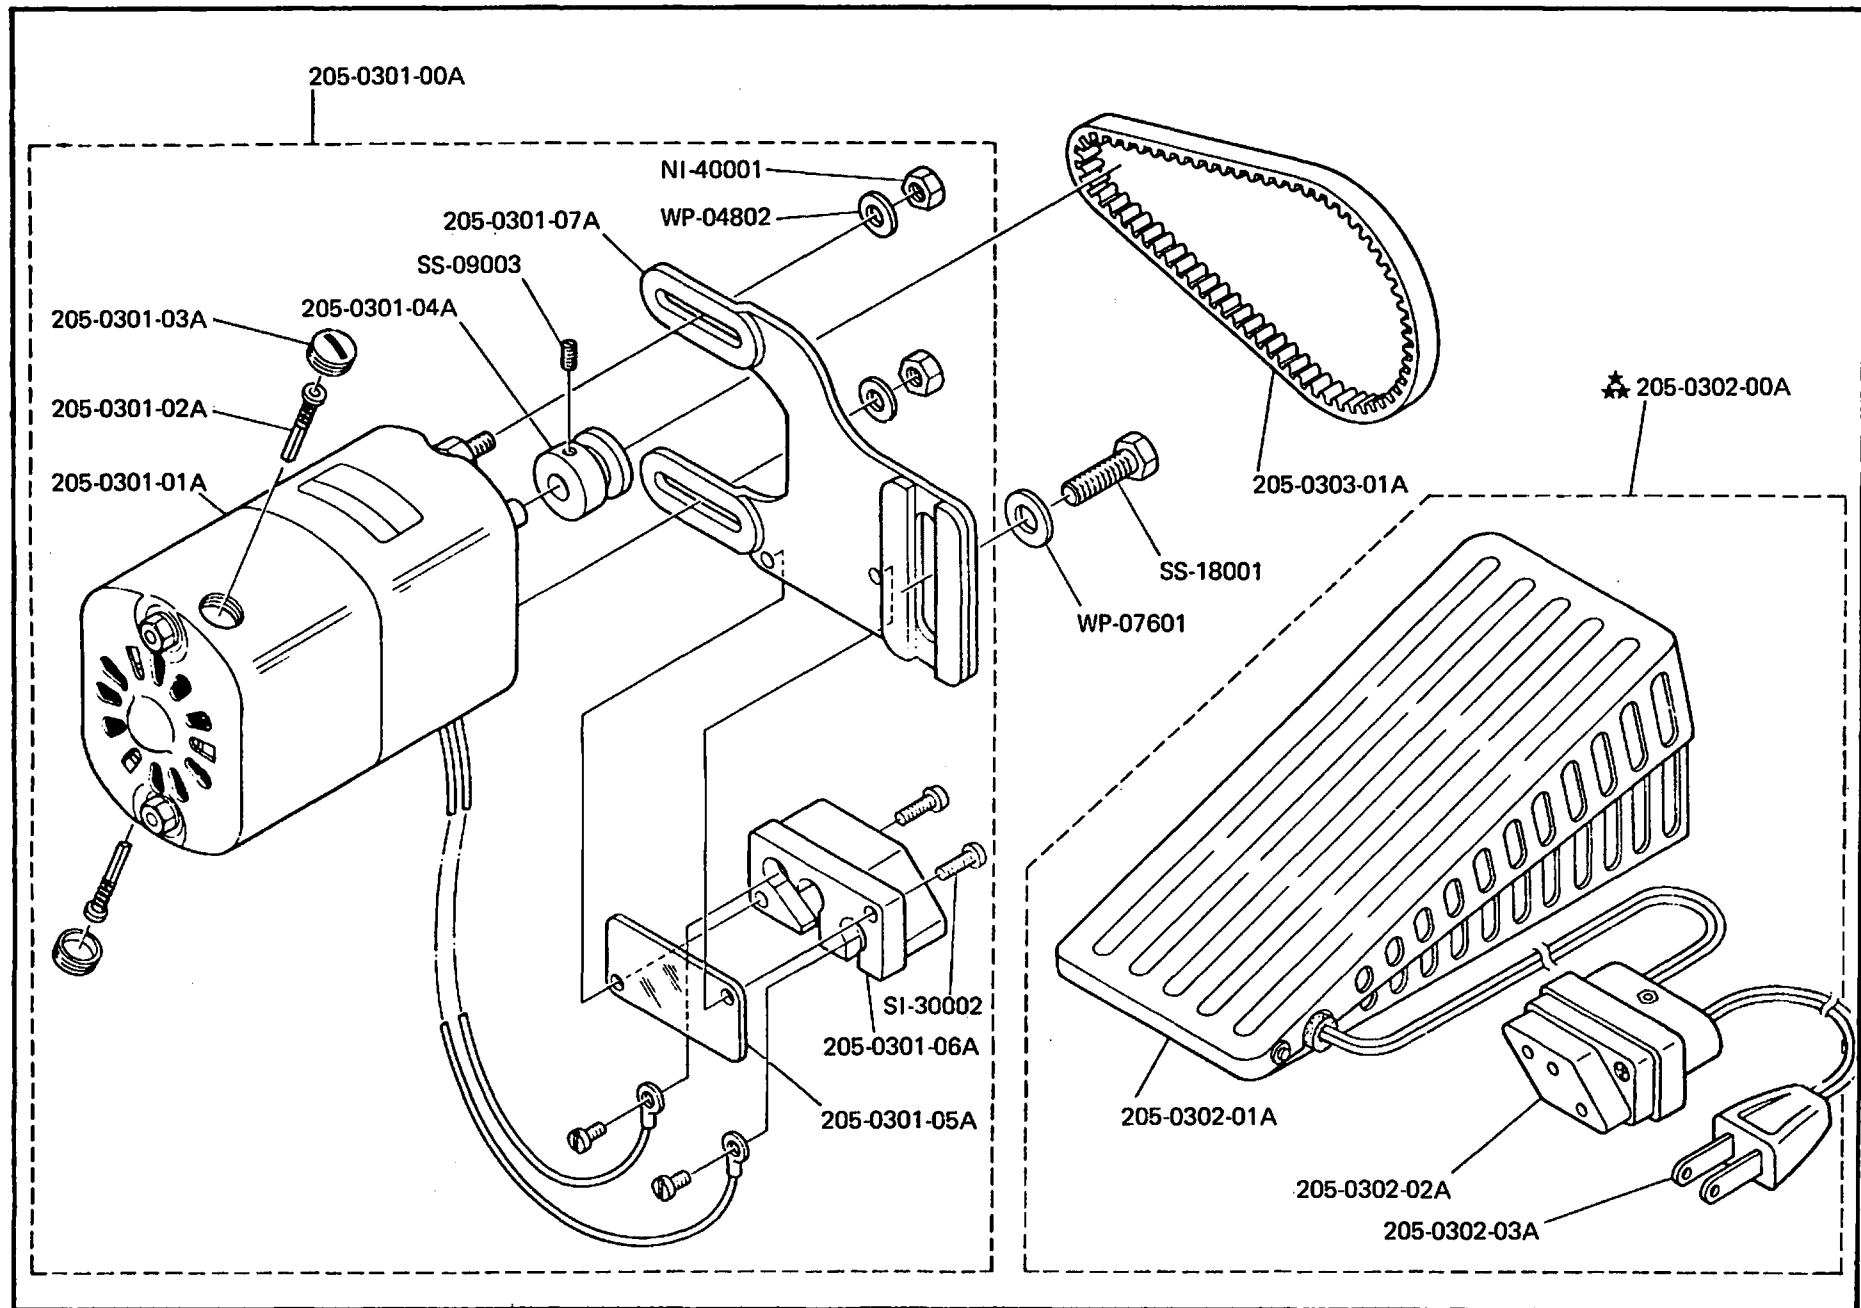

12. Knife components

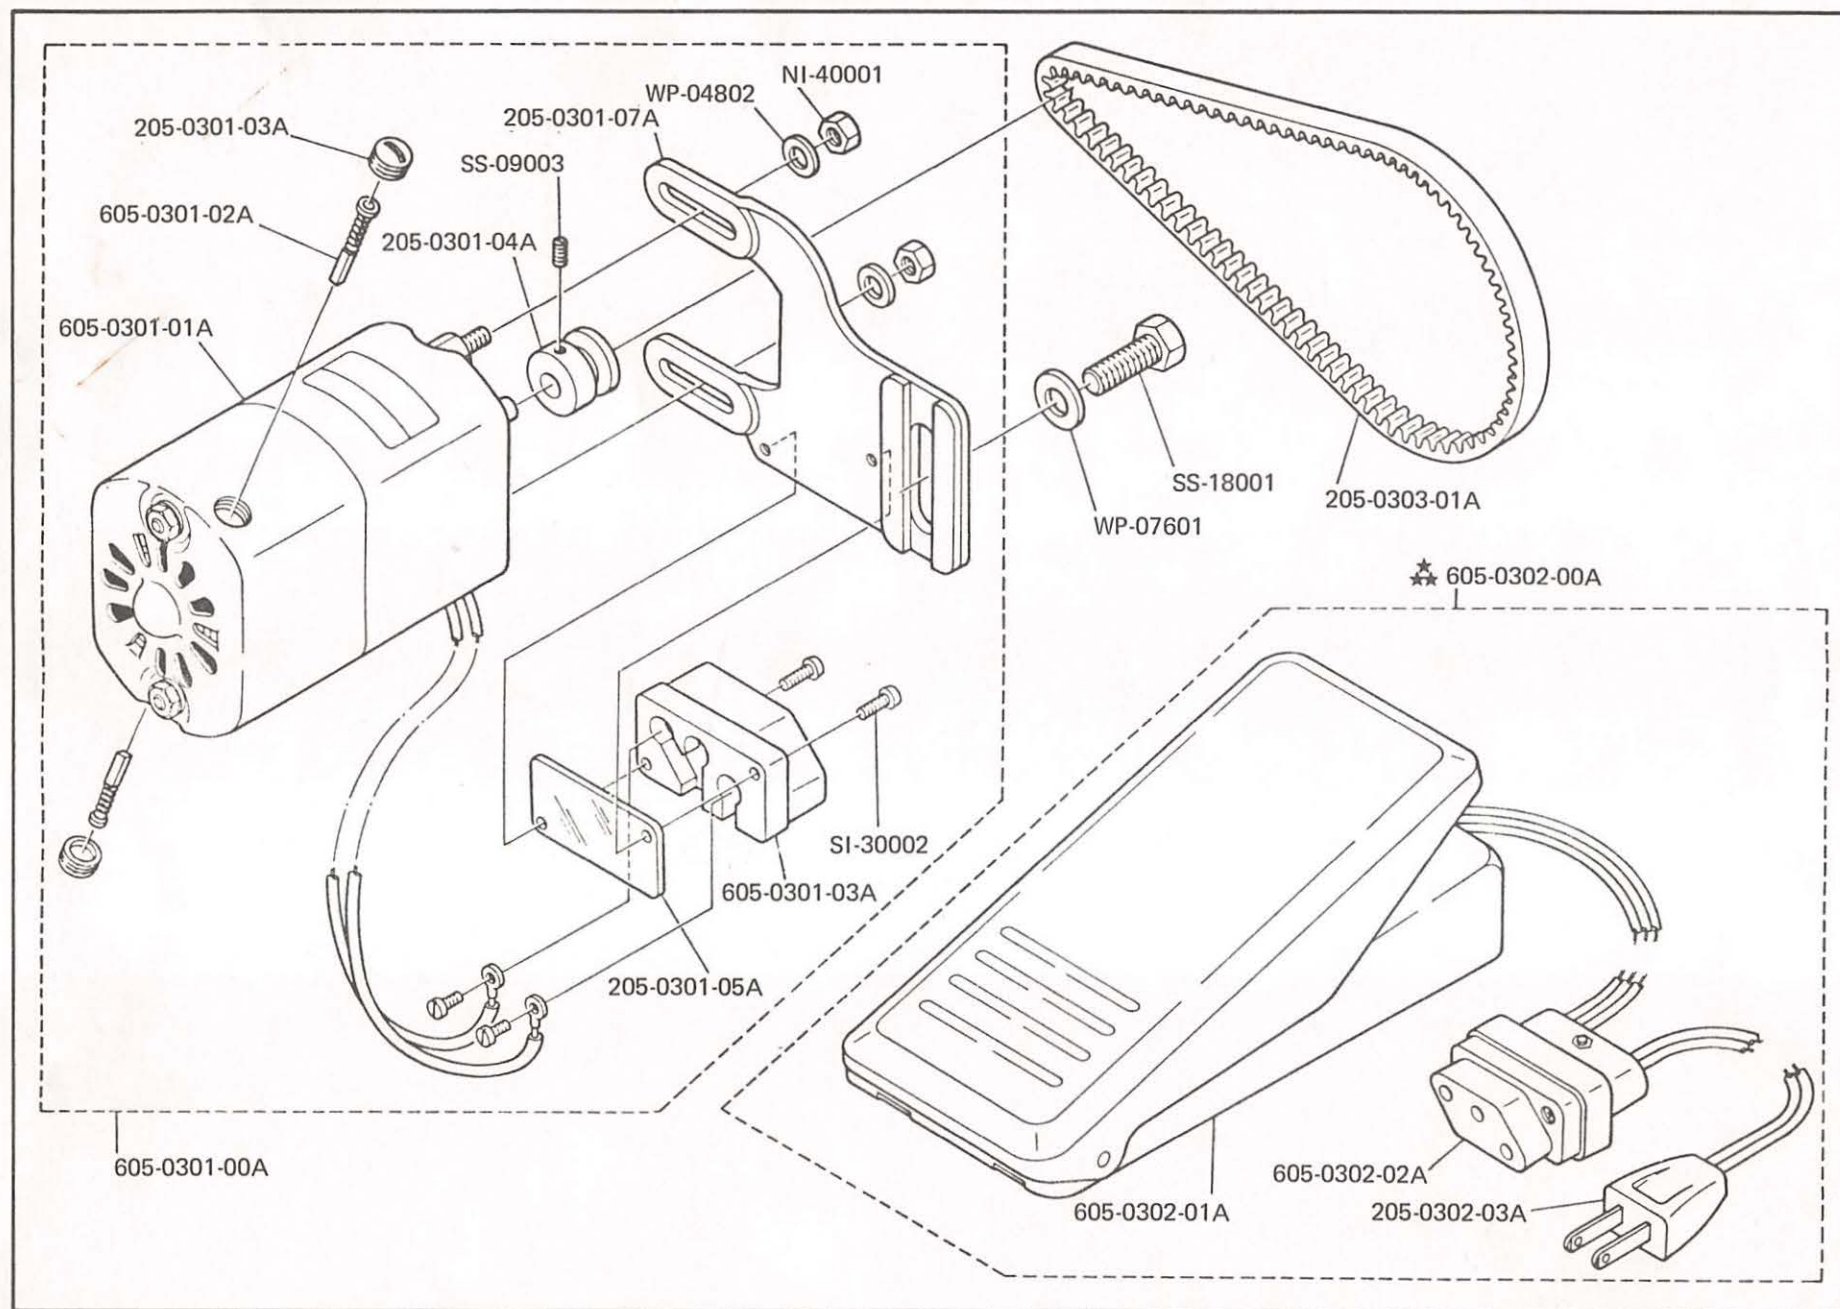

13. Standard accessories

14. Motor and controller components

15. Motor and controller components

Parts Number and Description Index (No. 1) for EF-205 and EA-605

Parts number	Description	Page	Parts number	Description	Page
