TO ALL WHOM IT MAY CONCERN:

The improper placing or renewal of the Trademark SINGER or any other of the Trademarks of The Singer Company (all of which are duly Registered Trademarks) on any machine that has been repaired, rebuilt, reconditioned, or altered in any way whatsoever outside a SINGER factory or authorized SINGER agency is forbidden.

THE IMPORTANCE OF USING
SINGER PARTS AND NEEDLES
IN SINGER MACHINES

The successful operation of SINGER machines can only be assured if SINGER parts and needles are used. Supplies are available at all SINGER shops for the Manufacturing Trade, and mail orders will receive prompt attention.

SINGER Needles should be used
in SINGER Machines
These Needles and their Containers
are marked with the
Company's Trademark "SINGER" or "SIMANCO."

Needles in Containers marked
"FOR SINGER MACHINES"
are NOT SINGER made needles.
